ASHFORD, McDOWELL CO., N. C.

July and August, 1941

Dear Customer:

In the past we have sent out Special Prepaid Offer for Orders sent in during July and August. The results were very satisfactory and we have decided to repeat the offer, which is as follows:

On all orders for our Nursery Stock for delivery fall and spring 1941-1942 WE WILL PREPAY ALL TRANSPORTATION CHARGES TO DESTINATION AT NET PRICES IN THIS OFFERING, PROVIDED THE FULL AMOUNT IS SENT IN CASH WITH ORDER ON OR BEFORE AUGUST 31, 1941. POSITIVELY THIS OFFER WILL BE WITHDRAWN SEPTEMBER 1, 1941. Further, you may make personal selections in our Nurseries at no increase in prices. Our large organization of trained Nurserymen are prepared to give your order, large or small, prompt efficient service at the proper time.

This offer carries a large saving in cash to customer at our expense to induce early orders, that will help us clear some land for fall planting. IT WILL PAY YOU TO BUY NOW! All orders are guaranteed to arrive in good condition. SATISFACTION GUARANTEED.

Look over this list promptly and let us have your order at earliest convenience, remembering it will have very careful attention, whether it be for a single plant or ten carloads. The binding consideration is the order must be placed before September 1, 1941 and the full amount in cash sent with the order. Delivery at proper planting season around September 1st when the stock is well ripened, unless otherwise instructed.

We sincerely appreciate the business you have given us in the past and assure you of our continued efforts to please you. We invite you to take advantage of this exceptional opportunity to buy now and save.

THIS OFFER VOID SEPTEMBER 1, 1941.

Yours very truly,

GARDENS OF THE BLUE RIDGE

## Hardy Native Ferns

For shady locations, no class of plants can equal the Ferns. They are easily grown in ordinary soils and will often thrive where it is impossible to make flowering plants succeed. We handle large quantities of Ferns annually and recommend the following:

	PRICE IN QUANTITIES			
	1 TO 9	10 TO 24	25 TO 249	250 OR OVER

## Leaf-Mold

The Plant Food that nature intended. This material is collected from dense Rhododendron beds. It has no artificial treatment. Renovate your plantings, Azaleas, Rhododendrons, Kalmias, Leucothoe, Andromedas, Hemlocks, Pines, Orchids, Ferns, Lilies, Trilliums, Perennials, and all Natives, with Nature's own provided Plant Food. "BEST BY TEST".

This treatment will feed the Plants, and give your soil proper acid condition to insure the best in flower, foliage, and root system. Also build up your lawn with this product. Cheaper to protect than to replace.

Special price will be quoted on request.

---

## SPECIAL NOTE

We have no connection whatever with any other Nursery. We employ no agents. Our entire business being transacted from our office at Ashford, North Carolina. BEWARE OF PEDDLERS AND SO CALLED NURSERYMEN, CLAIMING TO REPRESENT US AND OUR NURSERY STOCK.

Our long experience in the nursery business should recommend your careful consideration before buying elsewhere. Satisfaction guaranteed.

---

## TERMS AND CONDITIONS OF SALE

Packing and grading will be held to highest standard. Certificate of Inspection attached to all shipments. Remittance or satisfactory reference required of unknown parties. Terms to those entitled, plus packing at cost on charge orders. Claims for any cause must be made upon receipt of goods. Correspondence and inspection invited. Visit our Nursery. Shipping instructions should always be given fully.

All stock offered in this list is strictly first class and is well graded. We can make prompt shipment, or will book and reserve such items as are wanted for later shipment.

---

## NOTE:

Should any of our regular customers wish to send in reservation charge orders as usual, invoice will be sent to cover at time of shipment. Transportation charges following to be paid by customer at destination.

Autumn planting is recommended for best results. This will enable the roots to get established before Winter, and start growing in early Spring before Spring planted stock overcomes the setback of transplanting. Autumn Planted Natives bloom well the first year and may save disappointment later.
